

General Radiologist

Where State-of-the-Art Technology Meets Dedicated Patient Care.

The Department of Diagnostic Imaging at Windsor Regional Hospital invites applications from proficient, dedicated, and skilled General Radiologists to join our collaborative and expanding team on a full-time basis. This is an exciting opportunity to engage in a comprehensive practice with a broad skillset, providing high-quality, local specialized imaging services to our growing community.

Enjoy a stimulating position in a supportive environment that fosters professional growth, clinical excellence, and options for academic involvement through our regional educational affiliations, including the Schulich School of Medicine & Dentistry.

Why Choose Diagnostic Imaging at WRH?

- **Integrated and Diverse Role:** Enjoy a stimulating position that perfectly blends general diagnostic expertise with the opportunity to directly contribute to and expand specialized sub-specialty clinical services.
- **Collaborative Team Environment:** Become a valued member of our cohesive, highly supportive radiology group, contributing collectively across core modalities including CT, MRI, Ultrasound, X-ray, and fluoroscopy services.
- **Comprehensive Interventional Radiology Practice:** For interested candidates, utilize, and actively scale your clinical skills across a broad spectrum of IR procedures:
 - o Vascular: Angiograms, angioplasty/stenting, embolization, and thrombectomy/thrombolysis.
 - o Non-Vascular: Vertebroplasty, ablation, targeted pain management procedures, and more.
- **Academic Opportunities:** Engage in meaningful academic involvement through our close formal affiliation with the esteemed Schulich School of Medicine & Dentistry, fostering continuous lifelong learning, clinical research, and local teaching possibilities.

Your Responsibilities Will Include:

- Accurately interpret and report diagnostic imaging studies across a comprehensive spectrum of modalities, including Computed Tomography (CT), Magnetic Resonance Imaging (MRI), Ultrasound (US), X-ray, and Fluoroscopy.
- Perform general-level image-guided clinical procedures and demonstrate competencies in essential clinical interventions.
- Provide expert consultation to referring physicians, surgeons, and multi-disciplinary healthcare team members to ensure optimal, coordinated patient care.
- Participate actively, equitably, and collegially in the general radiology on-call roster.
- Demonstrate an unwavering commitment to the highest standards of clinical quality, operational efficiency, and patient-centered safety.

What you bring to Our Team:

- Certification in Radiology by the Royal College of Physicians and Surgeons of Canada (FRCPC) is required, or eligible for certification; or hold equivalent US Board Certification / eligibility.
- Eligibility for full, unrestricted licensure to practice medicine in the Province of Ontario with the College of Physicians and Surgeons of Ontario (CPSO).
- Demonstrated proficiency as a General Radiologist with a broad skillset encompassing core modalities (CT, MRI, Ultrasound, X-ray, Fluoroscopy).

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.

WINDSOR REGIONAL HOSPITAL

Ouellette Campus – 1030 Ouellette Avenue, Windsor, ON, N9A 1E1

Met Campus– 1995 Lens Avenue, Windsor, ON, N8W 1L9

www.wrh.on.ca / www.wrhprostaffrecruitment.ca

- Candidates possessing advanced Fellowship training in Interventional Radiology or Musculoskeletal (MSK) Radiology are **strongly preferred**.
- Proven capability to work effectively within a cohesive group environment, combined with leadership ability and a self-starter mindset to help develop sub-specialty clinical practices.

If you meet these qualifications and are passionate about making a significant impact in the field of diagnostic imaging, we encourage you to submit your application.

Please forward your most recent CV and a letter outlining your interest to:

Dr. Jacob Thomas, Chief of Diagnostic Imaging
C/o Chelsey Thornton – Medical Affairs

Please note: Only those chosen for an interview will be contacted.

Why Windsor Regional Hospital?

Windsor Regional Hospital (WRH) offers the opportunity for a fantastic career in an award winning health care facility. WRH is a 600 bed multi-site health service organization providing Acute Medical and Surgical Services including Renal, Trauma, Emergency, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Critical Care (ICU/CCU), Regional Cancer Services (Inpatient Oncology, Windsor Regional Cancer Centre, Breast Health Centre), Neurosciences and Mental Health Services to 400,000 people in Windsor and Essex County.

In recognition of the growing needs of the region, WRH plans for a major reform of the Windsor-Essex Hospitals System, which includes construction of a state-of-the-art acute care hospital. WRH is actively planning to break ground on the new acute care hospital in 2026. To learn more, go to <http://www.wrh.on.ca/windsorhospitals>

Why Windsor-Essex?

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
