

Pediatric Cardiologist – Department of Pediatrics

Champion Pediatric Cardiac Care for the Families of Windsor-Essex.

Join the dedicated and expanding Department of Paediatrics at Windsor Regional Hospital (WRH) and become a pivotal leader in building comprehensive pediatric cardiology services for the children and families of Windsor and Essex County. Be a vital part of a supportive and innovative multidisciplinary team committed to providing exceptional care.

Why Choose Pediatric Cardiology at WRH?

- **Groundbreaking Opportunity:** Be instrumental in further developing and expanding pediatric cardiology services in a region with a clear need, allowing you to shape the future of specialized care.
- **Comprehensive Support System:** Collaborate with a strong and collegial team of general pediatricians, subspecialists, dedicated nurses, and allied health professionals.
- **Dynamic Clinical Environment:** Work within a vibrant department that includes a busy 16-bed Clinical Teaching Unit (CTU) and a thriving 22-bed Level 2C Neonatal Intensive Care Unit (NICU), the second-largest in the region.
- **Established Referral Base:** Build upon a strong foundation with over 800 local ECHO procedures currently performed annually through our partnership with London Health Sciences Centre (LHSC).
- **Full Spectrum Practice:** Utilize your expertise across diagnostic imaging, electrophysiology, fetal cardiology, heart failure, and preventive cardiology to provide comprehensive clinical services.
- **Academic Excellence:** Engage in the education and mentorship of medical students (38 per year) and pediatric residents through our affiliation with the Schulich School of Medicine and Dentistry.
- **Academic Advancement:** Benefit from eligibility for academic affiliations and appointments with the Schulich School of Medicine and Dentistry, and explore potential cross-appointments at the Faculty of Science, University of Windsor.
- **Support for Scholarly Activities:** We actively encourage candidates with an academic track record and a passion for teaching and research to thrive in our supportive environment.

Your Responsibilities Will Include:

- Deliver a full spectrum of high-quality clinical pediatric cardiology services to our patient population.
- Take a leadership role in the strategic development and growth of local pediatric cardiology services within Windsor-Essex.
- Champion a culture of excellence by actively participating in initiatives focused on patient safety, quality improvement, research, and innovation.
- Dedicate time and expertise to the teaching and mentorship of medical students and pediatric residents.

What you bring to Our Team:

- Certification or eligibility for certification by the Royal College of Physicians and Surgeons of Canada in Pediatrics (or equivalent).
- Licensure or eligibility for licensure with the College of Physicians and Surgeons of Ontario (CPSO).
- Completion of subspecialty training in Pediatric Cardiology.
- Demonstrated expertise across a comprehensive range of clinical pediatric cardiology services, including diagnostic imaging, electrophysiology, fetal cardiology, heart failure, and preventive cardiology.
- A strong commitment to providing exceptional patient care and fostering a collaborative team environment.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.

Why Windsor Regional Hospital?

Windsor Regional Hospital (WRH) offers the opportunity for a fantastic career in an award-winning health care facility. WRH is a 600 bed multi-site health service organization providing Acute Medical and Surgical Services including Renal, Trauma, Emergency, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Critical Care (ICU/CCU), Regional Cancer Services (Inpatient Oncology, Windsor Regional Cancer Centre, Breast Health Centre), Neurosciences and Mental Health Services to 400,000 people in Windsor and Essex County.

In recognition of the growing needs of the region, WRH plans for a major reform of the Windsor-Essex Hospitals System, which includes construction of a state-of-the-art acute care hospital. WRH is actively planning to break ground on the new acute care hospital in 2026. To learn more, go to <http://www.wrh.on.ca/windsorhospitals>

Why Windsor-Essex?

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
