

Women's Imaging Radiologist – Department of Diagnostic Imaging

Shape the Future of Women's Health Imaging with Us.

Windsor Regional Hospital (WRH), a vital regional provider for women's breast health in the Windsor-Essex region, invites applications from dedicated and skilled, fellowship-trained Women's Imaging Radiologists to join our dynamic Department of Diagnostic Imaging. Be instrumental in further developing our specialized women's imaging practice and making a significant impact on the health and well-being of women in our community.

Why Choose Diagnostic Imaging at WRH?

- Specialized Focus: Be part of a hospital that recognizes the importance of specialized women's health services and is committed to providing comprehensive care.
- Leadership and Development: Lead the growth of our women's imaging sub-specialty practice, leveraging your expertise to shape its future direction.
- State-of-the-Art Technology: Utilize your breast tomography skills, a crucial component of our advanced imaging capabilities. The ability to perform contrast-enhanced mammography is a highly valued asset.
- Academic Affiliation: Benefit from our affiliation with the Schulich School of Medicine & Dentistry, with encouraged faculty appointments offering opportunities for scholarly activities and teaching at undergraduate and postgraduate levels.
- Professional Growth: Thrive in an environment that supports your professional development and encourages you to contribute to the education of future medical professionals.
- Collaborative Environment: Work within a supportive and collaborative Department of Diagnostic Imaging alongside experienced colleagues.
- Make a Real Impact: Play a key role in providing essential diagnostic services that directly impact the lives and health outcomes of women in our region.

Your Responsibilities Will Include:

As our Full-Time Women's Imaging Radiologist, you will:

- Provide expert interpretation and reporting of a full range of women's imaging studies, with a focus on breast imaging.
- Utilize your breast tomography skills to enhance diagnostic accuracy.
- Have the opportunity to utilize and further develop contrast-enhanced mammography services (if proficient).
- Take a leadership role in the ongoing development and advancement of the women's imaging sub-specialty practice.
- Collaborate effectively with referring physicians and other healthcare professionals to ensure optimal patient care.
- Participate in multidisciplinary team meetings and contribute to clinical decision-making.
- Engage in scholarly activities and teaching opportunities with medical students and residents through our affiliation with the Schulich School of Medicine & Dentistry (optional, but encouraged).

What you bring to Our Team:

- Certification by the Royal College of Physicians and Surgeons of Canada (RCPSC) in Radiology (FRCPC).
- Completion of a fellowship in Women's Imaging.
- Eligibility for full licensure with the College of Physicians and Surgeons of Ontario (CPSO).
- Demonstrated leadership potential and the ability to be a self-starter.
- Strong communication and interpersonal skills.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.

Please note: Only those chosen for an interview will be contacted.

Why Windsor Regional Hospital?

Windsor Regional Hospital (WRH) offers the opportunity for a fantastic career in an award winning health care facility. WRH is a 600 bed multi-site health service organization providing Acute Medical and Surgical Services including Renal, Trauma, Emergency, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Critical Care (ICU/CCU), Regional Cancer Services (Inpatient Oncology, Windsor Regional Cancer Centre, Breast Health Centre), Neurosciences and Mental Health Services to 400,000 people in Windsor and Essex County.

In recognition of the growing needs of the region, WRH plans for a major reform of the Windsor-Essex Hospitals System, which includes construction of a state-of-the-art acute care hospital. WRH is actively planning to break ground on the new acute care hospital in 2026. To learn more, go to <http://www.wrh.on.ca/windsorhospitals>

Why Windsor-Essex?

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
